31 WRITING

Spend time scribbling today.

Parents are tremendous role models.

If your children see that you think reading is important and enjoy it, they will follow your lead. When you go to the library, check-out books for you and your children. Put your books somewhere at home where your child can see them. Let your children see you reading. Talk about what you've read, even if it is just to say, "That was a good book. I liked reading it."
